NEWLAND HALL

WEDDING CEREMONIES & RECEPTIONS

The Newland Hall Country Estate is situated 4 miles west of Chelmsford, Essex. It consists of a large picturesque 15th century Tudor Manor House with a moat, beautiful gardens and over 100 acres of grass and woodland with four lakes surrounded by unspoilt countryside. Recently fully refurbished Newland Hall is a premier wedding venue catering for exclusive wedding ceremonies and receptions.

WHY NEWLAND HALL?

The House & Setting

Newland Hall is nearly 600 years old and Grade II Listed. It is steeped in history and the land is specifically listed in the Domesday Book of 1086. This makes it very stylish, interesting and full of character.

Exclusive Use

We guarantee you will have exclusive use of the house, gardens and marquee. Even our staff and suppliers will use a separate driveway, car park and entrance, ensuring 100% exclusivity.

Customisation

Unlike other venues we do not expect you to “fit in” to a standard wedding “package”. All of our weddings are customised to match the specific requirements of our clients. Through detailed discussions and tailoring every aspect, it will enable you to create exactly the right atmosphere for your special day.

Staffing

At Newland Hall all of our staff are of an extremely high standard and will be in uniform. Our banquet managers have extensive experience in organising and running major functions of all types.

Due to the numerous options and various approaches to weddings at Newland Hall, it is very difficult for us to provide specific pricing information at this stage. Prices may vary dramatically based on various options, including day of the week, time of the year, menus and the number of guests.

We are very keen for you to visit us, at which stage we will show you around and present you with a full detailed quotation based on your requirements.

WEDDING CEREMONIES

Take your marriage vows:

- ❁ In our beautiful Henry VIII Room, with its original hand carved Tudor beams and delightful views overlooking the beautiful gardens.
- ❁ In our superb permanent marquee
- ❁ In our delightful custom built gazebo – the nearest you can get to being married outside!

After the ceremony you may wish to enjoy reception drinks and canapés on the lawn whilst listening to a string quartet before receiving your guests for the Wedding Breakfast.

Due to exclusive use, all of the above options will be available to you. There is no requirement for you to commit to any particular location for the ceremony when you book your wedding with us. You can alter your ceremony plans any time – right up to the last minute!

We will, of course, ensure that contingency arrangements are in place in case of unsuitable weather.

A wide range of high quality menu options are available, along with an excellent selection of wines and fully licensed bar. Our superb traditional marquee located in the moated gardens is a permanent structure. It is fully lined and has a solid carpeted floor, oak faced bar, large dance floor and is heated. Through extensive and detailed research we have achieved the ultimate wedding reception environment by having both the superb atmosphere of a marquee with the comfort and high standard of facilities of an indoor venue.

*We pride ourselves in
always exceeding our
guests expectations.*

... heart and to hold from the
... for better for worse for
... power in sickness and in health
... and I do solemnly swear
... to be true and faithful all the days
... of my life.

Menu

*High on the high table the leaves are out
and all our fingers blossoming with glass.*

*The tablecloth's a lawn, a linen bedsheet
where we lay our limbs to grass amidst the carnival,
the cavalcade, the mardi gras.*

WINTER WEDDINGS

Newland Hall is an all year round venue...the perfect setting for a winter wedding.

Andy & Louise Harper

THE HISTORY

The Manor of 'Newlanda' belonged to King Harold before the Norman conquest, and was the only land-holding in Roxwell specifically listed in the Domesday Book of 1086. It was so named because it was created out of untamed forest on 'newly won land'. The land was held by Eustace, Earl of Boulogne. At the beginning of the 13th century Newland was held by Ralph de la Neweland, and for the next two centuries it remained in the hands of his descendants.

The first reference to Newland Hall (rather than just Newland) was made in 1447. Original records exist for Manor Courts held at Newland Hall from 1448 onwards. There is strong evidence that Newland Hall was one of the places of retirement for the lascivious King Henry VIII.

“ We had the best day of our lives thanks to you. We didn't have any worries on the day because we knew it was all sorted. The marquee looked fabulous and the setting was absolutely stunning, with the flowers and trees and lakes beyond...”
